Had a pretty good time in Mesquite last week, the show was great! Gruen did make an appearance from Kyle Rogers, he gave his staple Gruen Curvex presentation. He is selling his books not but only at in-person shows for now.

He will be at the York Convention again in June.

Texas Sunrise!

The Mart (300 Tables)

Clocks, clocks and more clocks...

There are some imports, French seem to be the most abundant. A lot of American clock brands, the swingers are American/Ansonia brand.
