Meetup with other watch collectors and tinkerers at the biggest european vintage watch and clock fair.

Seen at least 10 Gruen watches from the period 1940-1960. No ladies watches.

And got some presents.

Nice to see some watch events outside of the US of A. You're batting 100%, getting at least one Gruen item. That's what I've been doing lately at all my shows.

Pretty cool looking event. Kinda envious. I'm likely not going to be able to attend a show this year. boo for me.

I'll make up for it when I go to Switzerland this summer. Hopefully.
