I'm looking for 14k watches for sale. All watches will be considered.

Well, that is one heck of a second post.

Was hoping that you would share images of the Gruens you have.

That doesn’t surprise me about you Gary, you are only satisfied with the high-end... :lol:

I understand it's an unusual second post but as I mentioned, I am a new collector looking for a niche. I have one watch I bought in 1992; a rose 10k gold filled veri thin which I just started wearing again. I'll post a photo when I figure out how to do it. I'm an older person and not particularly technically saavy!
