I have an assortment of staffs, one has 877 penciled in next to a 879 staff. Not sure if they're interchangeable?

No, different Ronda numbers.  The 877 has Ronda 1139

I see some staffs on Ebay.

I looked though my materials and I do not have one. I did find 3 winding stems though for the 877.

Thank you to all for your help so far! Learning so much about Gruen movement identification/Ronda identification. I believe I've found what I needed on Ebay(After proper search terminology). Thanks again!
