Seems that Kyle* someone has listed 4 of his books on eBay yesterday. There are two left at the time of this note:

*Just learned that this is not Kyle selling the books, but someone that bought several from Kyle.

Bonjour,
Mon 1er livre (et un superbe livre) YES, sur les montres Gruen !
Vous remarquerez que je porte ma chemise de tous les jours, avec son col un peux usé... mais je m'en fiche ! ;-)

Hello,
My first book (and a great one) YES, about Gruen watches !
You’ll notice that I wear my everyday shirt, with its collar a bit worn... but I don’t care !

If you all ever get to a show here in the US of A, you'd most likely run into Kyle, one of the most energetic folks on the floor.

I was lucky to get one of his 1st published books.
