I am afraid I do not know much about this watch. I have done a dial refinish and that is of the extent of the restoration. I would love to know more. This model does have the "crystal frame insert" that helps hold the crystal in. It is a daily wearer for me as I wear my Quadrans!

Model name : Unknown

Type : Tank 15 Jewel

Period/date : 1920's

Gender : Mens

Case Maker : Wadsworth

Case Material :14k White Gold Filled...no wear through

Case Serial : 5032646
